Fall 2022

Dear Friends of Bartlett Recreation,

Bartlett Recreation is a nonprofit organization serving the recreational and enrichment needs of all ages within the towns of Bartlett, Jackson, and Harts Location. Fundraising, grants, and donations are the main income resource for our organization.

In past years, Bartlett Recreation has provided thousands of dollars in scholarships each year. These funds helped provide safe alternatives for parents and children. After school programs, and our six-week summer program continue to see an increasing demand. We also provide up to four, \$500 scholarships to graduating Seniors each year.

Our objectives for this 2022 donation appeal remain focused on youth scholarship and the continued development of the Morrell Family Community Complex phase 2, which will provide a multi-use field for soccer, football, two baseball fields, tennis and pickleball. This phase would allow our youngest players to begin play right after school and not in the evening. We anticipate beginning clearing this fall. But much more funding is needed as we continue to secure necessary permits and the dirt work for a community center in the future.

Thank you to all who have contributed in the past and all those who continue to support us with funding through our annual donation appeal and these hard times. You are the reason we have such a successful department.

Our areas of need: Multi-purpose field, Baseball fields & community center.

We welcome any assistance that you could provide. All contributions are tax deductible. Our tax ID number is 02-0495342.
